沖縄空手、世界へ

沖縄空手会館企画展示巡回展

Okinawa Karate Kaikan Special Exhibition Touring Exhibition

沖縄空手は、今日世界中に1億3,000万人以上の空手愛好家が存在すると言われるほど発展してきました。近代以降、沖縄空手が世界に伝播、普及していった状況について紹介します。

沖縄空手、世界への道

琉球王国時代から伝承された手(空手)が県内外へ伝播、普及していった理由には、大きく4つのパターンが考えられます。1つ目は沖縄の空手家たちの県内の学校や県外の大学を通じた内外での直接指導によるもの、2つ目は沖縄から海外へ移民した空手の心得のある人による指導・伝承、3つ目は、戦後の沖縄に駐留する米兵らによる普及によるもの、そして4つ目が、戦後各流派の発展により世界中で積極的な指導・普及がされたことによるものです。

世界の舞台に立つ空手

近代の沖縄で師弟を中心に伝わった手(空手)は、県内においては学校教育の中で教授され、県外では、多くの大学で沖縄県出身の空手家が学生へ教授し、大学の空手部の創部のきっかけとなりました。また、国外においては、特別な施設や道具、衣服を要せず始められる護身術、新たな武術(武道)として世界の人々に受け入れられてきました。それぞれの地域や場所での空手についての記録を通して空手普及の事例を紹介します。

Okinawa karate has now grown its presence with over 130 million enthusiasts around the world. In the modern era, how has karate spread throughout the world? Let's take a look at how Okinawa karate came to be spread globally.

Okinawa Karate, The Way to the World

There are four major possible scenarios of how "Te" (karate), a traditional martial art handed down from the time of the Ryukyu Kingdom (1429-1879), has propagated and spread throughout Okinawa and beyond. The first scenario is that the direct instruction from Okinawa karate masters through schools in Okinawa Prefecture and universities in mainland Japan. The second reason is through Okinawans who have practiced karate home and taught it in foreign countries after they immigrated. Thirdly, through the popularization in postwar America by returned American soldiers who were stationed in Okinawa. And lastly, due to the aggressive efforts home and abroad to teach and spread karate because of the development of each style, especially after the war.

Karate on the World's Stage

After the Meiji period (1868-1912), "Te" (Karate), which once passed down from master to disciple (one-on-one) in Okinawa, was introduced more broadly as part of the school education program in the prefecture. Outside Okinawa, karate instructors from Okinawa taught karate to students at many universities, which has led to the foundation of university karate clubs. Moreover, it has been accepted by people around the world as a novel martial art (Budo) and self-defense technique that can be practiced without special facilities, tools, or uniform. Through various documentation on Karate in each region and place, we will introduce examples of how it has been spread.
